### **Definition**

**Cookies**, like many online services, XBX Global Limited uses cookies to enhance Purchaser’s user experience. Cookies are small pieces of information that XBX Global Limited’s websites send to the Purchaser’s computer’s hard drive while the Purchaser is viewing the XBX Global Limited’s websites. XBX Global Limited may use both session cookies (which expire once the Purchaser closes the Purchaser’s web browser) and persistent cookies (which stay on the Purchaser’s computer until the Purchaser deletes them) to provide the Purchaser with a more personal and interactive experience on XBX Global Limited’s websites. This type of information is collected to make XBX Global Limited’s websites more useful to the Purchaser and to tailor the experience with us to meet the Purchaser’s special interests and needs. For more information about how XBX Global Limited uses cookies, please read our cookie policy.

If the Purchaser wants to disable the use of cookies, the Purchaser can set the Purchaser’s browser to reject and block any new cookies. However, please note that if the Purchaser does this, the Purchaser may not be able to use the full functionality of XBX Global Limited’s websites.

Information Collected by XBX Global Limited’s Servers. To make XBX Global Limited’s websites and services more useful to the Purchaser, XBX Global Limited’s servers (which may be hosted by a third party service provider) collect information from the Purchaser, including the Purchaser’s browser type, operating system, Internet Protocol (“IP”) address (a number that is automatically assigned to the Purchaser’s computer when the Purchaser use the Internet, which may vary from session to session), domain name, and/or a date/time stamp for the Purchaser’s visit.

Log Files. As is true of most XBX Global Limited’s websites, XBX Global Limited gathers certain

information automatically and stores it in log files. This information includes IP addresses, browser type, Internet service provider (“ISP”), referring/exit pages, operating system, date/time stamp, and clickstream data. XBX Global Limited uses this information to analyze trends, administers the XBX Global Limited’s websites, track users’ movements around the XBX Global Limited’s websites, gathers demographic information about XBX Global Limited’s user base as a whole, and better tailor XBX Global Limited’s services to XBX Global Limited’s users’ needs. For example, some of the information may be collected so that when the Purchaser visits the XBX Global Limited’s websites or the services again, it will recognize the Purchaser and the information could then be used to serve advertisements and other information appropriate to the Purchaser’s interests. Except as noted in this Policy, XBX Global Limited does not link this automatically-collected data to personal data.

**Pixel Tags.** In addition, XBX Global Limited uses “Pixel Tags” (also referred to as clear Gifs, XBX Global Limited’s website beacons, or XBX Global Limited’s website bugs). Pixel Tags are tiny graphic images with a unique identifier, similar in function to cookies that are used to track online movements of XBX Global Limited websites’ users. In contrast to Cookies, which are stored on a user’s computer hard drive, Pixel Tags are embedded invisibly in XBX Global Limited web pages. Pixel Tags also allow XBX Global Limited to send e-mail messages in a format user can read, and they tell us whether e-mails have been opened to ensure that XBX Global Limited are sending only messages that are of interest to XBX Global Limited’s users. XBX Global Limited may use this information to reduce or eliminate messages sent to a user. XBX Global Limited do not tie the information gathered by Pixel Tags to XBX Global Limited’s users’ personal data.

**How XBX Global Limited Responds to Do Not Track Signals.** XBX Global Limited does not currently respond to “do not track” signals or other mechanisms that might enable Users to opt out of tracking on XBX Global Limited’s websites.

**Flash LSOs.** When XBX Global Limited posts videos, third parties may use local shared objects, known as “flash cookies,” to store the Purchaser’s preferences for volume control or to personalize certain video features. Flash Cookies are different from browser cookies because of the amount and type of data and how the data is stored. Cookie management tools provided by the Purchaser’s web browser will not remove flash cookies.

XBX Global Limited may also collect non-personal information from the Purchasers’ mobile device if the Purchasers have downloaded XBX Global Limited’s mobile applications (the “**Application(s)**”). This information is generally used to help XBX Global Limited delivers the most relevant information to the Purchasers. Examples of information that may be collected and used include the Purchasers’ geographic location, how the Purchasers use the Application(s), and information about the type of device the Purchasers use. In addition, in the event XBX Global Limited’s Application(s) crashes on the Purchasers’ mobile device, XBX Global Limited will receive information about the Purchasers’ mobile device model software version and device carrier, which allows XBX Global Limited to identify and fix bugs and thus improve the performance of XBX Global Limited’s Application(s). This information shall be sent to XBX Global Limited as aggregated information and is not traceable to any individual or any third party and cannot be used to identify an individual.

**Analytics Services.** In addition to the tracking technologies XBX Global Limited may engage other companies to set their own cookies or similar tools when the Purchaser visit XBX Global Limited’s websites. This includes third-party analytics services, including but not limited to Google Analytics (“Analytics Services”), that XBX Global Limited engage to help analyze how users use the XBX Global Limited’s websites, as well as third parties that deliver content or offers. XBX Global Limited may receive

reports based on these parties' use of these tools on an individual or aggregate basis. XBX Global Limited uses the information XBX Global Limited get from Analytics Services only to improve XBX Global Limited's websites and services. The information generated by the Cookies or other technologies about the Purchaser's use of XBX Global Limited's websites and services (the "Analytics Information") is transmitted to the Analytics Services. The Analytics Services use Analytics Information to compile reports on user activities. The Analytics Services may also transfer information to third parties where required to do so by law, or where such third parties process Analytics Information on their behalf. Each Analytics Services' ability to use and share Analytics Information is restricted by such Analytics Services' Terms of Use and Privacy Policy. By using XBX Global Limited's websites and services, the Purchasers consent to the processing of data about the Purchasers by Analytics Services in the manner and for the purposes set out above. For a full list of Analytics Services, please contact us at [Support@xbx.com](mailto:Support@xbx.com).

**Location Information.** If the Purchasers have enabled location services on the Purchasers' phone, XBX Global Limited collects the Purchasers' location information to make a map available to the recipients of the Purchasers' messages showing the Purchasers' location. If the Purchasers do not want this information collected by XBX Global Limited, the Purchasers can disable location services on the Purchasers' phone.

If the Purchasers decide at any time that the Purchasers no longer wish to accept cookies from XBX Global Limited's service for any of the purposes described above, then the Purchasers can instruct the Purchasers' browser, by changing its settings, to stop accepting cookies or to prompt the Purchasers before accepting a cookie from the XBX Global Limited's websites the Purchasers visit. Consult the Purchasers' browser's technical information. If the Purchasers do not accept cookies, however, the Purchasers may not be able to use all portions of the service or all functionality of the service. If the Purchasers have any questions about how to disable or modify cookies, please let XBX Global Limited know at the contact information provided below.

Should the Purchasers have any question or inquiry about this Cookies and other information collected via technology policy or wish to make a request or exercise any of the Purchasers' rights as set out above, please contact XBX Global Limited by dropping XBX Global Limited's Customer Experience an email at [Support@xbx.com](mailto:Support@xbx.com) or by writing to XBX Global Limited at [Support@xbx.com](mailto:Support@xbx.com)
